The theme of the meeting:

Solidarity. Realization of the idea of solidarity on local and European level - presentation of good practice by Starý Poddvorov and project partners, including cooperation and mutual, local and international solidarity

Methods and the form of the meeting:

- workshops on the topic "Solidarity. Realization of the idea of solidarity on local and European level - presentation of good practice by Starý Poddvorov and project partners, including cooperation and mutual, local and international solidarity". The municipality of Starý Poddvorov presented the practical aspect of local and national solidarity. Markéta Jurásková and Michaela Klepáčová, professionals helping persons with mental illness shared their idea of the importance of cooperation and mutual understanding. Within this event participants attended also the presentation about the activities supporting the integration of foreigners on the territory of the South Moravian Region. In addition participants visited the local company - "Sonnentor" as an example of international cooperation and finally took part in a flag parade with inhabitants who presented their traditional costumes. The results of the workshops and presentations are: perceiving social and cultural citizen engagement in cooperation and voluntary on local, national and European level as key value of European Union, gaining new knowledge about practical actions of local and European partnerships which help people from different disadvantaged groups, such as ethnic minorities, migrants, isolated people, people with mental disabilities, etc.

Results achieved

The presentation delivered by professionals and volunteers helping to activate persons with mental illness and professional activating migrants promoted voluntary work and solidarity as key values of European Union. The municipality of Starý Poddvorov promoted their local partnerships and their European partnership within the Organization Charter of European Rural Communities.
